Journeyman Field Welder

Full-time | Year-Round | Blackfalds, AB

Position Summary

Build the structures that bring our projects to life.

As a Structural Welder at Eagle Builders, you'll play a key role in the installation of precast concrete structures across commercial, industrial, and agricultural projects throughout Western Canada. This is hands-on work that requires skill, precision, and a strong commitment to quality and safety.

We're looking for someone who takes pride in their craft, works well as part of a crew, and is willing to do what's needed to help the team succeed. If you enjoy seeing tangible results from your work and want to be part of building something that lasts, we'd like to hear from you.

What You'll Do

- Perform structural welding on commercial, industrial, and agricultural sites
- Read and interpret blueprints and welding procedures
- Operate equipment safely and efficiently
- Carry out ironwork and site preparation for precast wall panel installation
- Maintain and care for company welding rig (keep clean, organized, and in good working condition)
- Work effectively within a 3-5-person crew
- Assist in a variety of tasks that help the progress of the build
- Take direction and closely collaborate with foremen and supervisors

What We Are Looking For

- **Reliable** – shows up prepared, follows through on commitments, and can be counted on in the field
- **Team-oriented** – works well with others and is willing to step in wherever needed to help the team succeed
- **Craftsmanship-driven** – produced quality work that stands the test of time

Requirements

- Successful interview candidates will be required to complete a pre-employment assessment
- Valid Class 5 license, acceptable abstract, and reliable transportation
- Hold CWB and a valid Journeyman welding ticket
- Valid Standard First Aid, Fall Protection, and Aerial Work Platform

- Previous structural steel welding experience
- Ability to weld in any position at various heights
- Minimum 44 - 50 hours per week, including overtime as required
- Available to work away from home Monday - Friday, occasional Saturdays
- Travel throughout Western Canada is a regular part of this position
- Physically able to perform physically demanding work for extended periods
- Comfortable working at heights with proper safety equipment
- Able to work outdoors in all weather conditions
- Strong English communication skills (verbal and written)

Assets

- Precast concrete construction experience
- Ironworker ticket
- CWB Welding Supervisor ticket

What Eagle Builders Offers

- Competitive wages based on experience, with regular evaluations
- 9.6% vacation and statutory holiday pay, health coverage, and wellness support
- Sundays off and a culture that values time with family
- Clothing program, fuel discounts, and employee events
- Clear training roadmaps and opportunities for growth

**Come be a part of a crew that shows up, works hard, and delivers results.
Bring your skills, work ethic, and your commitment to quality – we'll
provide the opportunity to build something lasting.**
