Precast Concrete Grouting & Patching Crew Member

Full-time | Year-Round | Blackfalds, AB

Position Summary

Be the final step between good and exceptional.

As a member of the Grouting & Patching crew, you'll help deliver the finished product our clients see. From repairing concrete surfaces to sealing and finishing connections, your work ensures every panel meets Eagle Builders' quality standards.

We're looking for someone with a sharp eye for detail who takes satisfaction in turning a good product into a great one.

What You'll Do

- Grout, seal, and finish precast joints, seams, and connections
- Patch and repair concrete panels to meet quality standards
- Identify imperfections (gaps, bubbles, uneven finishes) and perform corrective repairs
- Apply caulking and sealants for durability and weather protection
- Safely operate grinders, hand tools, and access equipment
- Work at heights using lifts, scaffolding, and ladders
- Maintain tools, materials, and work areas in good working condition
- Work independently or within a 3-5 person crew
- Support overall site progress and project completion

What We Are Looking For

- **Detail-driven** – notices imperfections others may miss
- **Doesn't cut corners** – takes the time to fix issues properly
- **Quality-focused** – committed to delivering clean, consistent results
- **Observant** – identifies potential problems before they become larger repairs
- **Improvement-minded** – always looking to make the final product better

Requirements

- Successful interview candidates will be required to complete a pre-employment assessment
- Valid Class 5 license and reliable transportation
- Minimum 44 - 50 hours per week, including overtime as required
- Available to work away from home Monday - Friday, occasional Saturdays
- Travel throughout Western Canada is a regular part of this position
- Physically able to perform physically demanding work for extended periods
- Comfortable working at heights with proper safety equipment
- Able to work outdoors in all weather conditions

- English communication skills (verbal and written)

Assets

- Experience with concrete repair, finishing, grouting, patching or caulking
- Experience operating equipment (skid steer, zoom boom, aerial platforms)
- Construction, concrete, or restoration experience

What Eagle Builders Offers

- Competitive wages based on experience, with regular evaluations
- 9.6% vacation and statutory holiday pay, health coverage, and wellness support
- Sundays off and a culture that values time with family
- Clothing program, fuel discounts, and employee events
- Clear training roadmaps and opportunities for growth

Every repair, finish, and detail matters. If you're committed to quality work and enjoy seeing the results of your effort, join us and help build something that lasts.
