

Precast Concrete Installation Crew Member

JOB TYPE | Permanent, Full-Time, Year-Round

LOCATION | Blackfalds, Alberta

DIVISION | Field

START DATE | As soon as possible

Eagle Builders is a local, family-owned manufacturing and construction company grounded in Christian beliefs and values. Originally a small agricultural construction business, it has grown to become Western Canada's largest and most trusted name in precast concrete construction.

Position Summary

Do you enjoy seeing the results of your hard work come to life on a construction site and take pride in helping build spaces where people work, live, and play? If travelling to different communities throughout Western Canada excites you, we want to hear from you. We're looking for candidates with construction experience who are ready to take on physically demanding tasks such as lifting, bending, kneeling, working from heights, using hand and power tools, and staying on their feet for extended periods.

Join our high-performing team today if you can demonstrate a strong work ethic, navigate challenges with resilience, and thrive in a culture of constant innovation.

Job Description

- Complete site preparation work for precast concrete wall panels
- Assist in installing precast concrete components for commercial, industrial, multi-story, and agricultural buildings
- Assist with the rigging and signaling for cranes
- Perform a variety of tasks that help the progress of the build
- Work effectively within a crew of 3-5 team members on the construction site
- Take direction and collaborate with your foreman or supervisor
- Adhere to all company policies and safety procedures

Requirements

- Applicants successful in the interview process will be asked to complete a pre-employment assessment as part of the final hiring process
- Valid Standard First Aid, Aerial Work Platform, and Fall Protection certification
- Valid Class 5 license and reliable transportation
- Available to work away from home Monday to Friday, with occasional Saturdays
- Physically fit and able to perform physically demanding work for extended periods
- Ability to work in a fast-paced environment with attention to detail
- Ability to work at heights with proper safety restraints

- Proficient English communication skills to receive and relay information to and from crew members, foremen, and supervisors
- Ability to work outdoors in all weather conditions
- **Local or willing to relocate to Central Alberta**

Assets

- Apprentice or Journeyman Ironworker certificate
- Previous experience installing precast structures and components
- Experience operating small equipment | Ex: skid steer, zoom boom, and aerial work platforms
- Ability to read and interpret blueprints
- Completion of Construction Safety Training System (CSTS) course

Why join Eagle Builders?

- **Professional Growth:** Access to personality and behavior assessments to optimize individual and team success.
- **Comprehensive Benefits:** 9.6% vacation pay and statutory holiday pay, extensive health coverage and wellness support.
- **Work-Life Integration:** At Eagle Builders, family is at the heart of everything we do. That's why we guarantee Sundays off and employees are typically home to spend weekends with their family.
- **Additional Perks:** Clothing program, UFA Fuel Link Discount Card, employee appreciation events, and training roadmaps tailored to your career development.
- **Comprehensive Compensation:** Competitive hourly wages, based on experience, skillset, and overall fit for the position. We value hard work and conduct comprehensive three-month evaluations to assess performance and recognize exceptional contributions.

Join our team and experience a journey driven by collaboration, innovation, and perseverance.
