## Precast Concrete Crew Member

---

**JOB TYPE** | Permanent, Full-Time, Year-Round

**LOCATION** | Blackfalds, Alberta

**DIVISION** | Manufacturing Facility

**CLOSING DATE** | Open until suitable candidate is hired

Eagle Builders is a local, family-owned manufacturing and construction company grounded in Christian beliefs and values. Originally a small agricultural construction business, it has grown to become Western Canada's largest and most trusted name in precast concrete construction.

### Position Summary

---

As a **Precast Concrete Crew Member**, you'll work in our manufacturing facility in Blackfalds, helping produce high-quality precast concrete products. This hands-on, physically demanding role requires strength, stamina, and a commitment to working safely and efficiently as part of a high-performing team.

If you have a strong work ethic, thrive in a fast-paced environment, and take pride in quality work, we'd love to hear from you. Join our crew and build your future with Eagle Builders — where Opportunity Awaits.

### Job Description

- Assist with the production of various precast projects
- Perform cleaning, pouring, finishing, and other tasks related to precast production
- Be prepared to work hands-on and receive on-the-job training
- Follow directions and work independently or with a crew
- Safely operate a variety of hand and power tools
- Maintain a clean and organized work environment
- Work in a fast-paced environment with strong attention to detail
- Troubleshoot issues and report to the foreman or supervisor
- Adhere to all company policies and safety procedures

### Requirements

---

- Applicants successful in the interview process will be asked to complete a pre-employment assessment as part of the final hiring process
- Valid Class 5 license and reliable transportation
- Available to work Monday to Friday, with occasional Saturdays as needed
- Physically fit to perform demanding work for extended periods
- Able to lift at least 50lbs
- Comfortable working at heights with proper safety restraints

- Able to work independently or with a crew
- Able to thrive in a fast-paced environment with attention to detail
- **Local or willing to relocate to Central Alberta**

## Assets

---

- Experience in construction or precast concrete
- Completion of Construction Safety Training System (CSTS) course
